Sheer filth, for the readers, from the readers...

TAKEWAY TWAT!

I'm addicted to online dating. Being a successful businesswoman, I've given up the traditional methods of picking up hot girls to fuck, as I just don't have the time (or patience!). Through extensive research I've found plenty of sites that cater to high-end women like myself. For me, ordering up a hot piece of arse is just as easy as ordering in Chinese take-away.

My encounters so far have been quite memorable, with only a few exceptions. Sabrina topped the charts however when she sat on the wall outside my house waiting for me to arrive home the other evening.

"Sabrina, I presume?" I said, when I saw this beautiful Asian girl waiting. I stood her up and spun her around to inspect her goods. "Lift your skirt and let me check out your bum."

"Here?" she gasped. Realising she wasn't quite ready to give the neighbourhood a show, I reached my hand up her skirt instead and grabbed a handful of her perky arse. My, oh my! Her backend was perfect. It was firm yet squishy and rounded out like a pair of melon halves. It didn't hurt that she was beautiful, with big brown eyes, puffy pink lips and a precious upturned nose.

I unbuttoned her shirt to inspect her tits and again was taken by surprise. They too were perfect, full and firm with puffy nipples. I stuck my finger up her fanny as she walked up the small bank of stairs. "That thing is tight enough to snap my fingers off!" I joked.

Needless to say, I couldn't wait to fuck the hell out of her. When we got inside I had her naked in two seconds flat. I opened her legs wide and took a seat between them. I lowered her down by the hips and ground my hands into her arse while I wedged my tongue inside her twat. She bucked and hissed, lowering her pussy against my mouth for a deeper suction. After only a couple of minutes of oral play, her clit was bright red and as plump as a grape. Once I pinched her succulent button, Sabrina began to cum all over my mouth, her juice dripping down my cleavage.

"Lick it up," I purred, pulling her down

to lick the nectar off my tits. She carefully unbuttoned my silk blouse and went crazy with her tongue over my sensitive nipples. Her tongue felt warm and wet over my chilled skin as I watched her lips round out and funnel over my nipples.

After some nice tit play, Sabrina got a bit more adventurous and began to playfully bite around my nipples. Her tongue drove me wild. Feeling hornier than ever I pulled her down onto the rug and got in the 69 position. I sucked her lovely clit once again and decided to jab her cunt with my nose to get a better whiff of her good stuff. It smelled insanely hot. She in turn worked over my slit very well, kneading her hands into my big round arse like she was kneading dough. The action really heated up when she began to jab my hole with her fingers and then a big glass dildo she pulled out of her purse.

"Take it," she growled, ramming my hole quite hard. Although I loved the fucking, and made it known with plenty of pussy juice, I worked that prick out of my hole and jammed it up her arse instead. She squirmed and wiggled, chasing the end of the toy and begging for me to go deeper. The fact is that I couldn't. I had the toy completely wedged up inside of her! I reached for my dildo sitting on the side table and plugged that one up her pussy. Now, my Asian babe had two toys darting in and out of her holes.

After she came hard, she treated me to the same kinky play until my body became weak due to dehydration, I'd cum so much. After a glass of water, we were at it again – and this time my arse was going to get plugged!

HEATHER

PHOTOGRAPHY: TWISTYS

Heather Vandeven might not be a household name in the UK, but we reckon she deserves to be. Is it for her Penthouse Pet status? No, that magazine has been cack for years. Is it for her video game voiceovers, commercials and cable TV show? Niet. No, we like her for her sexy 'talk you off' videos that the right kind of internet search can lead you to. Heather is a very naughty girl, and her jerk-off encouragement movies (as they're known) prove that. Of course, if you don't want to, just enjoy these pictures. We're sure it'll all end the same way...

Pastry & Pussy

Coming from a very strict family, I've always found it rather difficult to explore my sexual side and my hidden desires. Although I've fucked several cocks and have loved every one of them, I've always fantasised about fucking a woman. Each night before I go to bed I wet my fingers with my tongue and shove them inside my pussy, filling my mind with images of the women I've seen that day. I imagine tasting the softness of a woman's lips and rounding my mouth around her breasts, feeling her nipples grow and press up against my tongue. By the time I imagine sliding my tongue in and out of a wet cunthole, my finger's wedged up inside my pussy and I'm cumming like crazy.

Lately, however, all my sexual desires and nightly fingerbanging sessions have been centered around Camilla, a Hispanic that works at the bakery around the corner from my house. She's as sexy as they come with honey-coloured skin, a curvy body and sleek black hair that cascades over her shoulders. Every morning I rush to the bakery wearing my skimpiest clothes and spend a lot of time at the counter deciding what to order.

Last week I caught Camilla looking at my breasts and licking her lips as I sunk my teeth into a decadent cream puff. When no one was looking I opened up my blouse to show her a glimpse of my nipples and dabbed a pinch of pastry cream over them. She looked at me and smiled, showing me her tongue and motioning for me to meet her in the kitchen.

As the bakery cleared out I walked behind the counter and found Camilla waiting for me with her blouse opened. Her natural C-cup tits were so incredible. I couldn't believe I was moments away from actually tasting them. Before I knew what hit me, my mouth was latched onto her boobs. My tongue began to flick at her nipples in overdrive and my pussy was leaking down my legs in a constant stream. When I grabbed and massaged her breasts in my hands, my pussy began to throb like never before.

"I've never done this with a girl," I murmured while she ran her hand over my cheek and told me to relax. She kissed her way down my neck slowly, licking behind my ears until my body chilled up. I was fingering my hole the entire time and made myself cum the instant her tongue connected to my nipples.

Camilla sucked hard, licking the sweet cream off of my breasts and squeezing the underside of them. I eventually grabbed her hand and shoved in two of her fingers in place of mine. "You're so tight, baby!" she purred. She pushed me against a stack of boxes and banged my hole some more, licking up all the drippings that leaked out, making slurping sounds throughout.

I continued eating my cream puff as Camilla ate my pussy. I was in a thrilling state of sensory overload. I could feel her licking my slit, could hear her sucking, could see her amazing body bend and twist, could smell wafts of my pussy nectar in the air and could taste the sweet pastry that Camilla had baked with her own hands. I was in sexual heaven! As I came back down from my sexual high I realised that Camilla now had fingers in my arse as well. Having both my holes fingered in rhythm made me cum like never before.

After many minutes of this exotic bliss I pulled Camilla onto the floor with me and intertwined our legs together. Now with our cunts touching, we locked our arms around each other and began to grind our pussies as hard as we could, both moaning with the intense pleasure. The feeling was so electric that orgasmic explosions seemed to come one right after the other. As Camilla rolled back, resting on the cold tile floor, I placed her legs over my shoulders and went in to clean her up. I ate her out with the same precision that she had offered me, until she came harder than ever in my mouth.

Holiday Hole

Recently, I went on holiday with a bunch of my university friends, renting a place in Ibizia near the beach. It got even more cramped when the boys brought girls home, and everyone just crashed wherever they could.

One night I got home, a little pissed, to find my mate Matt and some girl screwing in my double bed. Someone else was in his single so I couldn't use that, so I just lay next to them on the mattress, telling them to ignore me. I woke up maybe two hours later realising her hand was on my cock. "You do know I'm not Matt?" I said, in case she was sleep-fucking.

"Uh, yes," she giggled, so I rolled over and began to make out with her. Screw friendship, I wanted a piece of this! Not that Matt gave a fuck anyway. By the time he woke up, I was on top of the girl, Natalie, sucking on her tits, trying to coax her to open up and take my length. He said it was a shame I was getting sloppy seconds – she wouldn't be anything like as tight as before she'd taken his big dick.

"Bullshit…" she said, reaching down between us, and feeding my cock into her cunt. She felt so hot and wet – and tightness was not an issue. The squeeze of that little twat around my meat almost got my balls overflowing.

I held it together, began thrusting, splaying her even wider as I ploughed in. "Nah, he's way bigger than you," Natalie said to Matt, who laughed and told her to see how big his dick felt in her mouth. He crouched over her, dangling his prick between her lips, arse cheeks clenching as she sucked on his helmet. She got her hand up, fondling his nuts and whenever she stopped blowing

KRYSTAL&SASHA

PHOTOGRAPHY: SCOTT WARD

Ever wondered why girls always go to the toilet in pairs? No, it's not so they can talk about us, which we always assumed was the case. It seems it's so that they can throw down on the floor, sucking hard on each other's tits and pussy with no thought for the queue forming outside. Still, we'd rather follow Sasha and Krystal into the toilet than some of our less hygienic colleagues...

ISABELLA

PHOTOGRAPHY: HOLLY RANDALL

Isabella makes her debut in *MensWorld* this month, and it's about time too, she says.

"I can't believe it's taken me so long to get up in your mag," the 24-year-old from Tennessee moans. "A lot of photographers have sent my stuff in before."

Yes, they might have done, Isabella, but that doesn't mean they were doing you justice. Whereas when Holly Randall shoots you, she shoots you right. We don't want you appearing in grainy, out of focus shots with a bloke walking his dog in the background.

"What's a bloke? Is that like 'a man'? You English are funny."

It's our language, love, we invented it. Now just go and get that sweet 'fanny' of yours back in front of Holly's camera...

LOUISE

PHOTOGRAPHY: JEFF KAINE

The late, great Jeff Kaine had a real knack for shooting British girls. His easygoing manner put them at their ease, as you can tell in these cracking photos of the lovely Louise.

It's also a reminder of the beautiful babes our isles have to offer – Krystal, Sasha, Louise, Jessica and Jo in this issue alone. If there was an Olympic medal for fittest girls, we'd definitely be up on the podium...

Sex Boat 2 (Private)

The only boats in the news in Britain are the ones that lined up for the tedious Jubilee flotilla and the occasional sinker/floater of a cruise ship. Where's our Sex Boat? Nelson will be turning in his grave that the Europeans have a better sex-based navy than us. We can only look on longingly as Brooklyn Lee, Kristy Lust, Cindy Dollar, Jaelyn Fox, Abelia and Kortney Kane hop on board and take it up the shipper. There's stabbin' in the cabin, starfishes getting speared at starboard, and general nautical naughtiness.

Whore Hotel (Harmony)

We're sad to report that there isn't actually a 'Whore Hotel' that you can check into. No, this is based in a holiday villa in Barcelona that is full to the rafters with fanny. Megan Coxxx is the British girl topping up her tan and topping up on tools, joined by Henessy, Valentina, Skin Diamond and Linet Slag (sorry, that name isn't getting any better with repetition). Henessy steals the show, sharing Danny D's dong with Yank interloper Skin Diamond after earlier getting DP'd to the max. No Corby Trouser Press in sight, however.

Two Gazzman movies this month, with near identical casts (the only changes are Yaiza Del Mar replacing *Whore Hotel*'s Henessy, and Danny D moving to the bench), but this is definitely the inferior of the pair. No one can replace Henessy's intensity, and the action generally is a notch or two down. Even the usual Harmony costumes and make-up are turned down to 9, rather than the usual 11. Still, Skin Diamond and Megan Coxxx share a dick and Linet Slag does DP, so it's not like we couldn't lighten our balls to it.

The Truth About O (Adam & Eve)

DVD OF THE MONTH

It's BDSM sex and master/slave relationships galore in the continuing chronicles of 'O'. We could normally care less for such fare, but with Bobbi Starr taking the role previously essayed by Carmen Luvana and Bree Olson, we've finally got someone who's remotely credible as an explorer of the kinky lifestyle. Starr is the main attraction, but Jessie Andrews, Asa Akira, Claire Adams and veteran Nina Hartley all pull their weight too. Yes, it's pretentious and portentous, but Bobbi Starr might be the sexiest woman working in adult movies today, so that helps.

STARK NAKED

Heroes get horny as an A-list cast put the pedal to the metal on the latest XXX parody, Iron Man XXX. Phw'ore...

When Iron Man's secret identity is revealed, his archrivals are determined to take revenge on the billionaire playboy by stealing his number one weapon, his ark reactor. Through crisp directing and with a rather entertaining script, Seth Gamble, playing the role of Tony Stark/Iron Man, sets the screen ablaze with his goodwill intentions and hardcore conquests. With thrilling special effects and incredible bouts of superhero sex, the overall effect is exciting!

This and more is what's being presented in *Iron Man XXX: An Extreme ComiXXX Parody*, an ambitious production brought forth by clever director Sinister X for Exquisite Films/Extreme ComiXXX. Pulling out the most interesting aspects of the original production and by implementing delicious villains, such as Hulk, Black Widow, and Madame Masque, this is a superhero parody for the ages.

It's day one, and Tony Stark (Seth Gamble) has just made the jaw dropping announcement that he is Iron Man. Once his secret is out, he goes backstage and is ready to give an exclusive interview to ace journalist, Tanya Tate. Easily falling for her stocking clad legs and ample bust that is spilling out of a ruffled blouse, Tony is instantly smitten with the ravishing reporter. "Is it true that your health has been declining and that you have self destructive tendencies?" she charges, holding a tape recorder inches away from his lips. A naturally smooth talker, Seth avoids the question by unbuttoning his shirt and purring, "Do you want to touch it?" Revealing the glowing ark reactor that is prominently displayed on his chest, Tanya's eyes light up. Licking her lips and running her finger down her bubbly cleavage, she is ready to play!

Moving in for a passionate kiss, Seth stretches out his fingers and secures them around the back of her neck. Licking the edges of her lips and slipping his tongue in her mouth, Tony begins his erotic form of foreplay. "You taste to good," he continues, as she unbuttons her blouse and allows her bulging boobies to hang over the top of her lacy bra. When fully exposed, Seth invites Dick Chibbles to join them. Dropping to her knees, she takes her time pleasuring both cocks with her talented mouth. Sucking the head of one while stroking the other, the men easily grow in her grip, squeezing her breasts as she ingests their balls! "Damn, this looks hot," Sinister X smiles, seemingly pleased by the way things are unfolding.

As their romp continues, Dick bends Tanya in half, impaling her pussy in standing doggie display that shows off her mile long legs. Apart of the action every step of the way, Seth scoots right into position, urging Tanya to suck his balls. She does! Once they've buttered up this English muffin in several more positions, they shake their cream across her cupcakes. We definitely like where this is going!

Now that Tony Stark's secret is out, Justin Hammer (Alec Knight), his enemy, has implemented a task squad of highly trained scientists to create a weapon suit just like Iron Man's. "Tony Stark has a super suit! Why don't I have a fucking super suit?" Alec screams, demanding answers. "Without his ark reactor, we can't even come close," the nerdy scientist reveals, shaking in his boots by the demands of his deranged boss. "So fucking steal it!" Alec continues, just as Gracie Glam (Justine Hammer) enters with a case containing her own version of the ark reactor, called The Hammer Reactor! "This is how we are going to beat Tony Stark," she smiles, demonstrating its power to the awestruck panel.

Meanwhile, Amber Rayne (Madame Masque), a diabolical villainess, dressed in a white leotard and a golden mask, has just unleashed her own secret weapon against Tony Stark: Hulk (Jordan Lane)!

Now, back at Tony Stark's home laboratory, Chanel Preston (Black Widow) is introduced as Tony's new assistant, when Pepper Potts (Heather Starlet) decides to leave her position after years of loyal service. Once alone and after she's revealed secret information about her identity, Chanel falls into a memory sequence, recalling her enticing interlude with Hulk (Jordan Lane).

Slammed in a white room, across white furniture, her tanned body and his green muscles are meant to stand out. They do! Immediately beginning in a standing doggie arrangement, Chanel's pussy is bright pink and her eyes are rolling in the back of her head. Nailing her with his green bean, Jordan playfully

smacks her curvaceous ass and doesn't let up until girl gloss begins trickling down her inner thighs. "Ah, yah, Ah yah!" Chanel pouts, loving the feel of his green goblin.

Grunting and growling throughout, there aren't any verbal words being exchanged by these two fuckers, instead they're concentrating on each other! Now on her back, Jordan holds her legs open in missionary position and continues barreling down on the pristine porn princess. With green paint beginning to smear across her skin and blotches of missing paint now visible across his muscular frame, their physical attraction to one another becomes quite obvious. As his creamy dip cascades across her tongue, signaling their finale, it's safe to say that these two fucked hard and they fucked dirty!

Eager to create a weapon suit for himself, Alec turns to Riley Evans, Tony Stark's psychotic ex-girlfriend for assistance. "Get the blueprints for Tony's suit," Alec charms, trying to seduce the blonde bimbo with his powerful voice and sexy authority. "You mean steal them," she juts back, twirling her hair around her fingers to create golden rings. "No, think of it more like a trophy or as a souvenir," he contends, lunging at the beauty to sample her lips.

Just as willing to play, Riley falls to the floor, tearing her blouse open to reveal a sexy red bra and perfectly natural tits. "How about I suck your cock?" she sighs, looking up at him with her crystal blue eyes, before yanking his wang from his trousers for a preliminary suck. Nodding his head yes, Alec loosens his tie and watches Riley's mouth fill up with his meaty parts. "You're a great little cocksucker," he smiles, holding her pretty face in his hands to get a better look at her rounded out cheeks.

Spreading her wide across his stately desk, Alec gets the most mileage out of this leggy blonde in a standing doggie arrangement. Positioning her ass to the camera, and rearing back to offer a more unobstructed view, it's delightful watching Riley's pussy expand as it takes his big cock… down to the balls!

Now, after Madame Masque and Hulk infiltrate a press conference, moments before Alec and Gracie are about to unveil the power of The Hammer Reactor to the world, they are left looking like fools. Realizing that they can't beat the powers of Madame Masque, they decide to join forces for the common goal of exterminating Tony Stark, but not before kidnapping Pepper Potts, of course.

Sliding over to make the deal, Gracie Glam joins Amber Rayne (Madame Masque) at her seedy lair, with her bodyguard, Barry Scott. "I want to kill Tony Stark. You want to kill Tony Stark. Let's kill Tony Stark!" Gracie says in a stern voice. "What do you have to offer?" Amber questions, as Gracie goes in to remove Amber's mask. Revealing a nasty scar that spans the length of her face, Gracie makes Amber feel beautiful, despite her deformity.

Delivering the most spirited scene in the movie, Gracie, Amber and Barry do the dirty across a discarded mattress. The ladies begin with Gracie sucking the head of Barry's cock, while her devilish friend plays tonsil hockey with his balls! Slurping and sucking, it doesn't take long before the room fills with the audible sound of their oral assault. "This is a great scene," Sinister X boasts, excited about the sexual flow of these top-notch performers.

From here, Amber lies on her back and takes it hard from the well-hung stud. Egging him on with sexy grunts, Amber is definitely a girl who likes things rough. Kissing her friend and helping to pull her pussy lips open to allow Barry to get the absolute most out of her pussy, Gracie is outwardly turned on by this tantalising three-way. "Get it baby," Gracie later shouts, after noticing that Amber is moments

away from exploding with her first orgasmic rush. Finally, success, as gobs of goo come streaming from between Amber's legs. Wow!

Next, the girls take it hard in a variety of positions, yanking each other off his cock when it's their turn to ride his baloney pony. With the most heated display coming from Gracie shaking her rump in cowgirl, Amber is never left out of the sequence. Instead, she spends her time licking Gracie's asshole and collecting the sex drippings with her tongue. Hot!

From here, Tony (Seth Gamble) sets out to free Pepper Potts (Heather Starlet) from her captors. Once home, she finally professes her love for Tony. With a juicy blowjob, followed by plenty of heart thumping vaginal positions, it's easy to see why he's chosen to keep her on his payroll. Since this is the most pivotal scene of the production, we've decided not to give too much of it away, but only to say that this pairing is not to be missed!

With more action yet to come, and wild twists and turns yet to unfold, you won't want to miss a single moment of this superhero cockbuster. Just when you think the story is all wrapped up, a surprise ending closes out the experience with a bang! Can you smell a sequel? We certainly hope so!

Continued from page 15

him, I saw his meat twitch and jolt against her tongue.

I figured I'd cum first, with a couple of days worth of spunk backed up in my balls, and I was right. I buried myself deep inside of her, and shot my load, then pulled out, slapping my prick against her shaved mound, then dipping my fingers in her snatch so I could smear the sticky wetness on her tan belly. Matt kept on fucking her mouth but didn't last much longer – although he shot all over her tits, not down her throat.

She was a horny little slut who liked to tease. While we sprawled out, dicks throbbing from cumming, she said we had five minutes to get hard again or she'd go looking for another stiffy among our friends. It took me ten but I managed to keep her with us by going down on her, gobbling the spunky juices out of her twat, as she lay squealing on the bed. Matt was slower to recover, after cumming twice, but he sparked a little as Natalie and I started sixty-nining. I had the lips of her snatch pulled wide, two fingers in her hole as she started sucking away. Then Matt came around back, hard and ready to take up the invitation.

It's a bit weird to watch your mate fuck another woman close-up, but I just thought of it as real live porno, mesmerised by the sucking on my prick, timed perfectly to the rhythm of the cock pistoning in and out at her other end. She was a nasty, sexed-up little slut – I'd watch her hips buck and spasm as Matt's cock hit the spot, the wetness churned to froth and bubbling out of her snatch.

Soon, she couldn't handle sucking me too, and let my dick slip out, while Matt upped the ante. I fixed my eyes on their hard-fucking crotches, then saw cream spill out the side of her hole. He pulled back and spurted up against her stretched opening, spunk trickling inside of her as well as splattering all over her puffed-up pussy lips. All I could do after that was wank off over her, aiming at her tits, although she used her hands to work it all over her clit as well.

She wasn't the only girl that Matt or I fucked that trip, but she was certainly the nastiest. So we invited her back a few days later for round two…

Alistair, Loughborough

Making the Grade

Kate and I have been best friends and lovers for nearly a year. She is one sexy girl and the hottest girl in college. Her long blonde hair, gorgeous face and pointy nipples always seem to make her the centre of attention. We both love the looks and whistles we get when strolling down the halls hand in hand.

Last week, however, that attention turned negative when our professor caught Kate and I cheating during an exam. We decided to flirt our way out of the situation, tempted by the fact that our professor is one hot MILF! She was wearing a tight pencil skirt, silk blouse and stockings, and Kate and I were sneaking lustful peaks at her and each other as she reprimanded us.

"You two know that cheating leads to immediate suspension, right?" the professor said, her eyes scanning all around my plump boobs that were spilling out of my blouse.

"Yes, and we're really sorry. Can we show you how sorry we are?" Kate whispered, spreading her legs open to reveal her silky slit. When the professor smiled, Kate licked the fabric around my boobs until my nipples poked through the damp cotton.

The professor stood up suddenly and rushed to the door. "Shit, now we're really in trouble!" I sighed to Kate. But then we heard the door lock and the vertical blinds lower.

"Let's see what you girls have in mind," the professor purred. I pinned her against her desk, opened her blouse and began to suck on her perfect tits, rounding my tongue over the bumpy flesh.

"How's this for starters?" I asked, to be answered with moans of pleasure. Kate chose to squat on the floor, spreading the professor's legs out before her. She cut a hole out of the crotch of her tights with a pair of scissors and began to lap up every inch of the professor's collegiate cunt.

After a while the entire room echoed with the sound of moaning and sucking. I joined Kate between the professor's legs and began to roll my tongue over her clit like a wave, while Kate fingered and tickled her arsehole.

"Slap my cunt!" she begged. I took it upon myself to grant her request by patting and fingering her pussy. "Now let me see both of those tongues licking my wet hole!" she demanded. We did as we were asked, ramming our tongues into her creamy clam in turn and swapping her sweet juices between our mouths.

Desperately wanting to get a mouthful of her curvy arse, I bent her over her desk doggie style and wedged her legs open with my feet. Kate stood on the opposite side of the desk to suck on her fingers and hold her arms down. With her gorgeous bum spread out in front of me, I began to tickle the rim of her rump with my tongue until her bumhole skin crinkled up and juice from her pussy was pouring down her thighs.

I told Kate to spread the professor's arse cheeks open wide with both hands until her hole gaped. I stayed there munching her hole for a solid ten minutes and repeatedly pulled Kate down to sample the sweet sauce dripping from her cunt.

After she'd cum over and over, the professor arranged Kate and I on the floor in front of her, face down and arse up. She kneeled between us, prepping our holes with spit before she stuck two fingers in each snatch. Then she started to fuck our holes like pistons, up and down, up and down, the points of her heels pulling up tufts of carpet as she wedged her digits deeper and deeper. It wasn't long before this sexy woman had us both screaming our heads off, our pretty holes streaming.

"Cum for me, ladies," the professor urged us, and when we both did, she licked our pussies clean and made us cum some more. Kate and I promised the professor that we would be good girls from now on, and stop cheating, but I think all three of us knew we were lying!

JESSICA

PHOTOGRAPHY: SCOTT WARD

Jessica calls herself a 'sporty type', and after cheering England on to inevitable failure at Euro 2012, she's booked herself a fortnight off work to delve into the Olympics. Did she get any tickets, though?

"Did I fuck!" she says. "I applied in every round and got sod all. Annoying, as I live in London so I'm paying for it all and getting around will be murder. Still, at least I won't be commuting for two weeks."

So what events are you looking forward to most?

"All of it. Especially the Sex Olympics we'll be having in my lounge during it. My version of the pole vault is something else..."
